Moderate Actor.

From the London Times.
One hundred years ago to-day, Novem ber 8, there died in Edinburgh in indifferent circumstances an actor and dramatist who indirectly had a very great influence on the English stage. He was only a moderate actor and an indifferen a failure, even though he himself would thought of being appreciated by poster-ity merely as the father of one of his children. That child, a daughter, after-

ward became Mrs. Siddons.

The Game of Baseball Pronounced Greater Than Babe Ruth.

To The New York Herald: The oldest fan in Scranton should not worry too much over Babe Ruth's sentence and the effect it will have on baseball next season, because baseball is bigger than Ruth in spite of the fact that the Babe thought that he was bigger than the game.

It did not need the sentence imposed on Ruth by the high commissioner to make the public aware of this fact; father and famous as a manager. He father and famous as a manager. He father and famous as a manager. He
